

AN OPEN LETTER TO

[YOUR COUNTY NAME] COUNTY BOARD OF COMMISSIONERS

My signature appears below to urge you to protect the citizens and employees in [YOUR COUNTY] County from the dangers of secondhand smoke, a Class A carcinogen known to cause cancer, heart disease, and other illnesses in nonsmokers. As an adult in [YOUR COUNTY] County, I believe these workers have the right to breathe smoke-free air. Please take a strong stand in favor of the public's health by enacting a 100% smoke-free indoor air standard in all workplaces and public places.
